To the Advertisers and Supporters of the Civil Air Patrol

Thanks for backing the volunteer efforts of our Civil Air Patrol Wing. As you are probably aware, while the Civil Air Patrol is affiliated with the U.S. Air Force, most of the expenses for our programs are met by contributions from the pockets of our members. Funds generated from the advertising not only help with the publishing costs of our State publication, they also help support the Emergency Services Programs which includes search and rescue for down and missing aircraft, disaster relief and airlifting of blood and donor organs. Funds also help in our youth Cadet Leadership Program and Aerospace Education Training. On behalf of the Civil Air Patrol members throughout the state, we look forward to your participation in our publication and support of our programs.

Thanks to you we are able to live up to the Civil Air Patrol motto "Always Vigilant".
